Friends of the Takoma Park Maryland Library

Annual Report - FY 2011

This is the 17th year of the Friends of the Takoma Park Maryland Library, my first as President, and I would like to begin by thanking everyone on the board for their energy, enthusiasm and support as I have transitioned to this new role.

First the numbers: During this past year, the Friends gave \$ 13,541.07 in gifts and revenue to the library, and since 1994, a total of \$125,235.87. Our two book sales raised a total of \$5,121.07. Perhaps most important, we have ended a productive year with a balance of \$14,168.26. What made it so, in the really good kind of way?

The Friends of the Library worked strong and steadily as a team to think about how to increase our revenues and how to present and maintain more of presence in our community. I was greatly impressed by how each and every member stepped up to the plate and offered their creative ideas, their time, and their expertise.

The Friends continued to support many programs, but to name a few: book clubs for children, youth and adults, the College Bound speaker's series, the Spring for Poetry project, Summerquest, the only summer reading program for children in Montgomery County. We have created new programs, such as the outreach at New Hampshire Recreation Center. We created, with much deliberation, a fundraising letter which raised \$3,805.00. We have updated our website and created a new Facebook page, efforts to enter the social media world of the 21st century.

I have many hopes and dreams for the Friends in the year to come. I look forward to increasing our visibility in the Community. I encourage all of us to continue to bring new and creative ideas about supporting activities and programs that have become ongoing for us. Finally, I hope that we will continue to have members present at some of the programs we sponsor to keep the mission of the Friends at the forefront of the library community.

I look forward to the year to come with energy and excitement!

Karen Boyer, President
